Dear Ken:

In recognition of continued performance improvements and flawless execution of the Woodward Supplier Development Process, I thank you and your team for a commitment to leading performance in the areas of delivery, quality and key initiative alignment.

At Woodward, we strive for True North in all we do with our customers and expect nothing less of our supply base. Hebeler has clearly demonstrated alignment with this approach through its diligence in quality system maturity that has exceeded our expectations. The investments Hebeler have made to ensure our products are best in class are apparent to Woodward leadership and also recognized by our customers.

Please extend my gratitude to your entire team for a job well done. I look forward to continued partnership between our companies for many years to come.

Sincerely,
